

2018 DEACON NOMINATION BALLOT

Dear Church Member,

The Deacon Ministry exists to co-labor with the Senior Pastor and ministry staff to provide servant leadership to the congregation through service, encouragement, and ministry care for the purpose of presenting every believer fully mature in Christ. As such, the ministry of the deacon is an integral part of the disciple-making team of the church. As individuals called of God, the responsibility of these men is to challenge and influence the church family into deeper intimacy and commitment to Christ by personally engaging the church family at the point of their need.

Understanding this tremendous responsibility toward God and His Church, no man should endeavor to serve as a deacon unless he is willing and able to meet the Biblical and church qualifications of both giftedness and character as set forth in the Scriptures. A fully qualified deacon is a wonderful asset to the church while an unqualified deacon is a hindrance and possible danger to her.

Our bylaws state that any man who is nominated must be at least 21 years of age and will have been a member at least one year before beginning their term as deacon in January, 2019. Nominations should be submitted by church members ages 14 and over only. You may nominate as many men as you believe are qualified. To be considered, a man must receive at least two (2) nominations. If needed, additional nominating slips are available in the main campus Gathering Room. Finally, for a nomination to be considered, each nomination slip must be **signed** and returned no later than **Sunday, August 19**. For your convenience, we have boxes at the Welcome Desk in the Gathering Room or in the church office for you to submit your completed nominations.

Please take this opportunity to **prayerfully consider** those men who meet the biblical ideals and demonstrate the characteristics to serve as deacons in our church. We are asking you to simply pray. Ask God who He would have you nominate then trust His leading as He brings Godly men to mind. Included on the back of this letter are nomination slips on which you may submit your prayerful nominations.

The following men are ineligible for consideration because they are currently serving.
